

When you buy a VAT free Intra-Community vehicle from BCA – the following documents are required

1 Completed CMR

2 Insurance policy
(for transport of goods)
– ask your transport provider for this

3 Buyer's declaration - signed by you when the vehicle is received

- Documents 1&2 must be non-contradictory and will have been issued by parties independent of each other, and independent of the supplier and the customer.
- BCA may consider receipt of an alternative document in place of item number 2, such as the transport invoice, or evidence of payment for transport.
- **When you use a transport solution arranged by BCA, the required documents will be obtained directly by BCA.**
