

# BCA IN EUROPE

## BUYERS GUIDE FOR USED CARS

In the dynamic automotive market it is sometimes challenging to find the cars you are looking for, or better said your customers are looking for. Finding **the right cars** is essential to your business's success and **supports stock rotation** and a **good margin**.

To help you continuing dealing with used cars, we would like to point out to you the **international opportunities** of making profit on purchasing cars abroad, but still with BCA!

You will enjoy the following **BCA advantages** to make it as easy as possible for you:

**Customer support in your local language**

**Automatic transport:**  
[Check prices](#)  
[and lead times](#)

**Segmented auctions**

Young cars, older cars, high-end or budget cars... you know best what used cars suit your business! In this brochure the typical vehicle specifics per country, so you know where to start searching for suitable cars to purchase and resell.
