

This auction takes place every Friday at 11 AM, before the BCA Specials auction. It's a special Live Online auction with all our two-wheelers such as e-bikes, cargo bikes, speed pedelecs, scooters and motorcycles\*.

\*The fees and auction features do not apply to motorcycles. Motorcycles are always settled in accordance with the standard conditions and rates for vehicles, so the BCA Bikes scheme does not apply to motorcycles. All motorcycles will be exported with **Dutch** export papers. Possible luxury tax on the purchase must be paid by the export buyer.

There are two types of sales for export buyers:

- Two-wheelers with Dutch license plates;
- Two-wheelers without Dutch license plates.
